Rangers deployed in all industrial zones of Karachi

KARACHI: Bin Qasim Association of Trade & Industry (BQATI), meeting was held with Director General Sindh Rangers, Ijaz Chaudhry on Wednesday, October 12, 2011 at BQATI House Bin Qasim.

Mian Muhammad Ahmed, Patron in-Chief / Founder President BQATI, Usman Ahmed, President BQATI, Shakil Ashfaq, Chairman BQATI Legal and Finance Advisory Committee, Farhan Ansari, Chairman BQATI Law and Order Advisory Committee with other Managing Committee members were present in the meeting.

Security issues of Bin Qasim Industrial Zone were discussed in the meeting, security proposals including deployment of Rangers personnel in Bin Qasim area were also discussed in the meeting. DG Rangers informed that Rangers have been deployed in all industrial zone of Karachi, Rangers information cell have been set up to help the industrialists and to reduce the crime in the area, despite shortage of manpower, they are trying their utmost efforts to improve the law & order situation in industrial zones, he stressed over the need to improve their internal security system, he was of the view that a combine effort can improve the situation, just to increase the number of security personnel is not a solution. He suggested that the industrialist should take help by installing electronic surveillance system outside their industries also to improve their internal security system, personal guards deployed for security should be insured fully, provide them treatment facility with the help of social security institutions it's a team work Rangers cannot do alone we are not here to replace the Police make your own people realized that they are being taken care of, crime cannot be eliminated completely but it could be reduced by taking such measures, he asked the businessmen to give suggestions regarding Rangers deployment in their respective areas. BQATI members pointed out that the organized gangs are operating in the Bin Qasim Industrial Area such gangs are involved in Kidnapping, Ransom, Car snatching and looting, they must be eliminated. It was highlighted that the Shirin Jinah Colony have been vacated from Tanker Mafia but they are spreading here, in result crime is increasing, they must be stopped moving here and there should be an eye watched by the law & enforcement agencies.—PR

BQATI complains of water leakage from 54" KW&SB line at Port Qasim

KARACHI: The Bin Qasim Association of Trade & Industry (BQATI), in a letter written to the Managing Director of the KW&SB Misbahuddin Farid has brought to his notice about water leaking profusely from the joint of Main 54" KW&SB line which is a main source of water supply to the Port Qasim Authority and Industrial zones.

Due to this leakage, hundreds of thousands of gallons of water is being wasted, and besides inundating nearby area, it is causing heavy losses to the KWSB in term of revenue as well as the wastage of national resources while on the other hand industrial units are facing water shortage. Many complaints have already been lodged by industrialist in this regard, but still the problem exists, the letter also said.—Agency
